NOTE 1: Math placement tests are required for all courses. Placement tests are administered near the end of the school year. Math period is typically taught at the same time (for most grades) to accommodate different student skill levels. Fast-track is available for advanced students (Algebra I in 8th).

NOTE 2: Arithmetic courses use classical textbooks and do not adhere to the Common Core model. Mathematic courses use textbooks published shortly after Common Core implementation and have been selected for use since their overall course content was considered superior (abstract questions are omitted).

NOTE 3: Calculus is not offered as advanced placement (AP) calculus. Students may opt to take AP test outside of ACCA.
